

My Dear Airline Bowlers,

First of all, would like to apologize on my delayed program, due to since Thailand had reopened after the Covid, all the hotels, Bowling, Bus Company, Restaurants, especially those Inbound servers are preparing to recover their 3 years lost from the Inbound Tourists, especially, from the mainland China, Russia, India and those East European countries. All the price where we had negotiated earlier been changed and need to apply surcharge, causing I need to make some changes at the Beach Hotels, Bowling Alley, etc. In order to control the acceptable cost as all cost were went up to the ceiling after the Covid and the country reopened. Hope all of you do accepted and bare with me. The Tournament this time is very tuff and facing many obstrucles but its has been sorted out.

Finally, after we were all suffered from the COVID throughout the Global which caused none of the Tournaments been organized at all for the last 3 years. Where WABC at Dubai had lead our group by organized for the first one after COVID during last NOV'22 and will follow by IABL this year in Copenhagen for the coming MAY. For the 23rd FEIBT will follow during the coming NOV during the period of 04-11NOV. We are all missing each other in chit-chatting, laughing and enjoying with lot of fun. Even almost the whole world including Thailand are now widely open for the Inbound & Outbound travelers throughout the country, but each one of us need to be aware and protect ourself from this Covid as it is still hanging with us in all countries, we need to follow of what each country rules and regulations issued in protecting yourself away from the COVID. Anyhow, it is very hard for the Organizer but we will make it just for all of us.

As a tradition, each FEIBT, I strive to provide to all my bowling friends, something very special and different from the previous FEIBT events. My mission is to encourage and enable all the bowling colleagues to visit various parts of Thailand and experience the culture, tradition and the natural beauty in each of these locations. Therefore, in the past, I have conducted the FEIBT in many different cities, like Bangkok, Pattaya, Chiang Mai, Phuket and Udon Thani. There are so many beautiful places and cities worth to see and visit in Thailand but unfortunately, those have been ruled out because of absence of Bowling Alleys at those beautiful places or because of their distance, that will force you to spend more days in Thailand which is hard to do so as most of us need to resume our duties within a week's time. Earlier, I had announced and planned to organize at Chieng Mai, North of Thailand but due to COVID, causing hardly to go up and down, back and forth to Chieng Mai for the set up and the worst part was last Bowling Alley had closed down. Then, had diverted it to Bangkok but had added one of our most beautiful beach resort, name, "HUA-HIN / CHA-AM" into the program for relaxing, enjoy the BBQ Seafood, sightseeing and Beach Sports Fun, before the Tournament started.

All arrangement have been finalized for the tournament to make sure that all of you will receive the most enjoyable, unforgettable memories and experience, like, enjoy another Beach City at HUA-HIN & CHA-AM, choose the best hotel with the best view, atmosphere and facilities as we're going to have 2 full days over there. With also have a chance to make some shopping at the Hua-Hin walking street Night Market with plenty of restaurants located.

I have done my best to control the costs but this time it was jumped up in order to make the package amount reasonable and covered our cost, without compromising on the variety and quality of entertainment. I guarantee you all that you are sure to get the best value for your money. A glance at the programme schedule will give you an idea about the fun-filled arrangements made for this year's FEIBT and undoubtedly you will enjoy far more than you did during the previous tournaments!

As mentioned, the 23rd FEIBT is planned to be held at Bangkok **from 4th November to 11th November 2023.** As a habit, the entertainment, the usual fun, friendliness and Thai hospitality will be maintained and you will not miss out on the vibrant atmosphere and mouth-watering Thai cuisine for which the lovely Thailand is popular. And for the additional Tournament's Trophies are awaiting for your guys to bring back home, if you can.

The new Private Bowling Centre in town of 32 Lanes has been selected for the tournament. The name is **"TPD BOWLING CENTRE"**, at Bangbon, another side of Bangkok where a little bit far from our place and also our Thai National Bowling Team are using this centre as their hub for training and practising.

We look forward to get together once again at your favourite meeting place, **Thailand.**
